venetian blind

The Suntex venetian is a classic blind that complements any interior. Venetians come in a large range of colours and finishes, including perforated blades for those who do not wish to compromise their view. Choose from our range of modern 25mm or sleek 16mm aluminum blades.

Suntex venetians are versatile blinds that will suit either the home or office environment.

**colours**  
Venetian blinds are available in a wide range of colours. Please contact your Suntex stockist or interior consultant to view our entire range.

## a visible difference

Create a **visible difference** in your life when you choose Suntex for distinctive, functional window treatments for your home, workplace or retail space.
